Long Beach Water Issues Fraud Alert to Customers Receiving Notices of Free High Efficiency Toilets on Behalf of City

Company Knocking Door-to-Door Offering Free High Efficiency Toilets Due to Drought

LONG BEACH, CA – Long Beach Water Department cautions customers receiving door-to-door calls from a company offering to install a free high efficiency toilet because of the drought. The company is falsely claiming representation of the City of Long Beach.

The City of Long Beach does not affiliate itself with, nor endorse any contractor. Customers entering an agreement with the company's services are doing so at their own risk for quality of service installation and materials.

Long Beach Water is an urban, Southern California retail water supply agency, and the standard in water conservation and environmental stewardship.
