## **Beautiful Long Beach Landscape Grant Applications Wanted**

LONG BEACH, CA – The Long Beach Water Department would like you to apply to receive a Beautiful Long Beach Landscape Grant of up to \$5,000 to beautify your property, decrease your water use, eliminate unnecessary runoff and chemical use, decrease time and money spent on maintenance and increase butterfly and hummingbird habitat. Grants are available to 501 ( c ) (3) and 501 ( c ) (4) corporations and organizations, as well as public agencies. Completed applications must be received by the Long Beach Water Department no later than 4:00 p.m., Tuesday, January 2, 2007 in order to be considered in the current round of funding.

The Long Beach Water Department established the Beautiful Long Beach Landscape Grant Initiative to help create demonstration gardens that inspire people to remove some or all of their grass lawns, replacing them with beautiful landscapes that use significantly less water.
