Over the course of the last two years, Long Beach has raised the bar for inventive and creative ways to save water – whether you live, work or play in our fantastic city. Conservation is an important part of our history and it’s a big part of our future – it’s just how we live. The habits we’ve built to save water are integral to our exceptional quality of life and our many, diverse lifestyles.

Here at Long Beach Water, we are excited to continue finding new ways to save water together. Tell us how you LiveH₂O, Long Beach!
Fall Efficiency Tips

Fall Back to Two Landscape Watering Days

It's still warm, but fewer hours of daylight means your plants need less water. Make sure you are watering your landscape only on **Tuesdays and Saturdays** before 9 a.m. or after 4 p.m. from October 1 - March 31.

Friends of El Dorado Nature Center Native Plant Sale

California Native and water-wise plants perfect for our climate will be for sale along with a wide variety of unique succulents from around the globe. All proceeds support the Friends of El Dorado Nature Center habitat enhancement programs.

**Saturday, Oct 13, 2018, 9:30 a.m. - 2 p.m.**
9 a.m. - 9:30 a.m. member only preview time
7550 E Spring Street

For more information call 562.570.1745.

More Certified Blue Restaurants

Support these newly Certified Blue Restaurants and satisfy your sweet tooth! These bakeries have implemented water efficient devices and practices that contribute to our sustainable LB way of life. Share your delicious dessert pictures with us using #EatLBCertifiedBlue.
